Masoga Facilities Management (Pty) Ltd is a company built from a vast array of experience. We can provide full service and maintenance programs tailored to your requirements, which can range from “care” maintenance of an empty building through to a resident engineer on a large office or commercial complex.

We are able to maintain all building services equipment utilising either our directly employed labour force, or specialist sub-contractors who meet our requirements, both in terms of Quality Assurance and Health and Safety.

Masoga is providing a quality service at competitive prices, together with the recognition of client’s requirements and provision of cost effective solutions and high level service delivery.

It is able to offer the personal service which, even in these modern times, is still highly valued by many customers.
